

Statement against racial injustice

BEACON for Adult Literacy is a ministry of the Benedictine Sisters of Virginia. We believe strongly in the dignity of every person and the beauty of diversity, and we reject discrimination, hatred, and violence of every kind. As members of the Prince William County community, we pledge to oppose injustice, honor diversity and support equity for all.

We are very proud of the many years of service that BEACON has given throughout our area. We are committed to ensuring a culture where all students and volunteers are treated with kindness, respect, and encouragement. BEACON will continue to welcome all who want to learn English and increase their language skills, improve their job opportunities, and prepare for citizenship.
